

BUY A BRICK, Help Build the Marion Tallgrass Trail!

- Leave a lasting imprint of your support for the Marion Tallgrass Trail by purchasing a paver engraved with your name, the name of a family member, or the name of your club, organization, or business. Your engraved paver will be used in a walkway connecting the shelter/nature center with the Marion Tallgrass Trail. The walkway is made possible by the generosity of the Don Alspach Memorial Fund at the Marion Community Foundation, so your donation will go entirely to extend or maintain the trail.
- You will receive a charitable donation receipt less our costs of the brick and engraving. Pavers will be installed in batches, once or twice per year, depending on how many are sold.
- Personalized pavers are available in two sizes:
 - 5 1/2" x 5 1/2" , engraved with 3 lines containing 10 characters each, for a donation of \$100.
 - 5 1/2" x 8 1/4" , engraved with 3 lines containing 13 characters each, for a donation of \$200

Please fill in the squares EXACTLY as you would like to see the engraving on your paver. Leave a space between names, and before and after "&". Each space counts as a character. Text will be centered on each paver.

Additional spaces for \$200 pavers
